

IFR Chart Procedures

Several recent changes have been made to IFR procedure charts, so it's time to take a look at them. We'll start with chart basics, and move into examples that can cause confusion, then move into a deeper look at the new changes and how they affect you.

Our speaker is local area Master CFI Mike Jesch, who has been using and teaching about approach plates for 35 years.

Directions: Airport Commission Room (from Back Entrance)
